FEATURES & BENEFITS

- Aurea Life App support
- Suitable zigbee/Bluetooth devices
- Connect 400+sub devices
- Wired 3 in 1
- Rigid PC body
- 1000sqm Transmission distance
- Device signal strength monitoring
- Antina for signal stability
- One-Click Replacement
- Support Alexa and Google Assistant
- Status Indications
- Fault Replacement Hub functions
- Cross gateway local linkage
- Easy installations
- Versatile Connectivity
- Stable Control Capacity

Quick Reference

- * Elegant look
- * Rapid response
- * 3in 1 function
- * High signal stability
- * High Life span
- * Easy Programming

WARRANTY

1 years Warranty

ACCESSORIES

Power Adaptor and Data cable
